PRODUCT OVERVIEW

We love everything about the look of Herringbone flooring. No other floor choice has the ability to transcend the gap between classic and contemporary. This collection is composed of genuine French Oak that is finished in a selection of our six most popular Signature Range Oak colour schemes.

These boards can be utilised in conjunction with the standard plank flooring in the Signature Range to form a stunning entry way or feature room, as well as used on their own to create a home that will be the very definition of unique.
