HABITAT

COLLECTION

WA Blackbutt

Jarrah

Marri

Blackbutt

Tasmanian Oak

PRODUCT OVERVIEW

Our Habitat Collection is one of the longest running ranges in the laminate family. It has been installed in thousands of Perth homes in the past decade.

Available in 5 different classic colours, its semi-gloss finish results in a natural timber look that is amplified by its sheen.

Offering fantastic value for money, but still offering that much sought after real timber look, it is hardwearing and simply beautiful! Easy to install thanks to our patented Unilin click system, all boards come with pre-installed underlay.

Backed by a 25 year domestic and 10 year commercial structural warranty that offers peace of mind, the Habitat laminate is both scratch resistant and easy to clean.

FEATURES

Range of colours to suit any style.

Easy installation.

All boards come with pre-installed underlay.

Pressed edge bevel creates a seamless floor.

Easy to clean.

Scratch resistant.
