FLOORING

THE HAMPTON RANGE

PRODUCT OVERVIEW

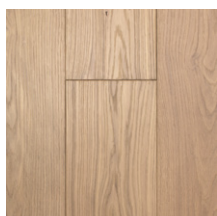

A favourite of architects and interior designers, the Hampton Range is defined by its versatility. Available in 9 different colour schemes it suits installations of all kinds, having been used across Perth in yoga studios, restaurants, offices, and of course, countless family homes.

The base of this board features multi layer plywood construction for a lifetime of stability that is backed up by a warranty to match. The genuine European Oak top layer is coated with European made sealers and topcoats to create a floor that is hard wearing and easy to maintain. All of this is available at an approachable price point that allows you to enjoy the timeless luxury of European Oak without breaking the bank.
